

IOL Chemicals And Pharmaceuticals Limited

QUALITY POLICY

Doc.# BNL-API/CHEM-QA-POL-000001

Ref. SOP No. BNL-API/CHEM-QA-SOP-000079

We at **IOL Chemicals and Pharmaceuticals Ltd** are committed to supply consistent quality products, excelling laid down standards to enhance customer satisfaction through,

- Robust development of the processes and its commercialization
- Complying to current Good Manufacturing Practices, statutory and regulatory requirements
- Continual improvement of our Quality Management System (QMS)
- Embrace the advanced technologies & scientific breakthroughs that enable building the diversified portfolio with high quality standards
- Maintaining a strong culture of quality through the on-going development, training, and empowerment of our team.

We strongly believe that the Quality just cannot be tested into the product, but it should be built into it and its everyone's responsibility at IOL Chemicals and Pharmaceuticals Ltd.

A handwritten signature in blue ink, appearing to read 'V. Gupta'.

Varinder Gupta
